

**To allow us to process your Overseas claim promptly,
please review the following tips:**

1. Please fill out an Overseas Claim Form for each patient and mail them in a separate envelope. (Overseas Military Facilities may submit itemized claims directly to the Plan.) The completed claim form, together with the original itemized bill(s) and any supporting documentation, should be sent to:
MHBP
PO Box 8402
London, KY 40742
2. Always include an itemized bill and/or receipt with the claim. Please keep in mind that by providing as much information as possible in English, you are helping the Plan process your claim.
3. When completing the claim form, please clearly type or print the information. It is important to complete the entire claim form.
4. It is necessary that you tell us why you saw the doctor (medical diagnosis or reason for visit) and the type of doctor you saw (medical doctor, ob/gyn, chiropractor, psychiatrist, etc.).
5. Tell us what country you were in when you had the service(s) and the name of the currency used in that country. Charges should be shown in the foreign currency. (We will calculate the exchange rate based on the date of service.)
6. Precertification is not required for inpatient hospital stays outside of the U.S.
7. DENTAL claims should be submitted on a separate Overseas Claim Form. Please include a tooth (teeth) number when applicable. The plan is unable to return dental X-rays. Please do not submit X-rays unless requested.
8. Please use a Prescription Drug Claim Form for all prescription drugs purchased at pharmacies outside the U.S. and Puerto Rico. There is not a separate "Overseas" Prescription Claim Form. Please do not submit prescription drug claims with your medical or dental claims. Your prescription claims should be submitted on a separate prescription drug claim form and sent to:
CVS Caremark
Attn: Claims Department
PO Box 52196
Phoenix, AZ 85072-2196
9. It is OK to make photocopies of the claim form.
10. Submit the claim as soon as possible after the expense is incurred. Claims must be submitted no later than December 31st following the year of service. Please keep in mind that all overseas claims, with the exception of services rendered at a U.S. government facility, are paid directly to the Enrollee.

We are available 24 hours a day, 7 days a week (except major holidays) for your convenience. When you are in the continental U.S., you may contact a Member Services Representative at **800-410-7778**. When you are overseas, you may contact a Member Services Representative by visiting our home page at **www.mhbp.com** for International Toll Free Dialing instructions.

If the country you intend to call from is not listed on our website, please continue to reach us at **480-445-5106** (which is not toll free), or contact us via email by selecting "contact us" at the bottom of our Home Page.

REFERS TO GOVERNMENT PROGRAMS ONLY

MEDICARE AND CHAMPUS PAYMENTS: A patient's signature requests that payment be made and authorizes release of any information necessary to process the claim and certifies that the information provided is true, accurate and complete. In the case of a Medicare claim, the patient's signature authorizes any entity to release to Medicare medical and nonmedical information, including employment status, and whether the person has employer group health insurance, liability, no-fault, worker's compensation or other insurance which is responsible to pay for the service for which the Medicare claim is made. See 42 CFR 411.24(1). The patient's signature authorizes release of the information

to the health plan or agency shown. In Medicare assigned or CHAMPUS participation cases, the physician agrees to accept the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary as the full charge, and the patient is responsible only for the deductible, coinsurance and noncovered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary if this is less than the charge submitted. CHAMPUS is not a health insurance program but makes payment for health benefits provided through certain affiliations with the Uniformed Services. Information on the patient's sponsor should be provided in those items captioned in "Insured".

BLACK LUNG AND FECA CLAIMS

The provider agrees to accept the amount paid by the Government as payment in full. See Black Lung and FECA instructions regarding required procedure and diagnosis coding systems.

For CHAMPUS claims, I further certify that I (or any employee) who rendered services am not an active duty member of the Uniformed Services or a civilian employee of the United States Government or a contract employee of the United States Government, either civilian or military (refer to 5 USC 5536). No Part B Medicare benefits may be paid unless this form is received as required by existing law and regulations (42 CFR 424.32).

The information we obtain to complete claims under these programs is used to identify you and to determine your eligibility. It is also used to decide if the services and supplies you received are covered by these programs and to insure that proper payment is made.

The information may also be given to other providers of services, carriers, intermediaries, medical review boards, health plans, and other organizations or Federal agencies, for the effective administration of Federal provisions that require other third parties payors to pay primary to Federal program, and as otherwise necessary to administer these programs. For example, it may be necessary to disclose information about the benefits you have used to a hospital or doctor. Additional disclosures are made through routine uses for information contained in systems of records.

FOR MEDICARE CLAIMS: See the notice modifying system No. 09-70-0501, titled, "Carrier Medicare Claims Record", published in the **Federal Register**, Vol. 55 No. 177, page 37549, Wed. Sept. 12, 1990, or as updated and republished.

FOR OWCP CLAIMS: Department of Labor, Privacy Act of 1974, "Republication of Notice of Systems of Records", **Federal Register**, Vol. 55 No. 40, Wed Feb. 28, 1990, See ESA-5, ESA-6, ESA-12, ESA-13, ESA-30, or as updated and republished.

DISCLOSURES: Voluntary; however, failure to provide information will result in delay in payment or may result in denial of claim, with the one exception discussed below; there are no penalties under these programs for refusing to supply information. However, failure to furnish information regarding the medical services rendered or the amount charged would prevent payment of claims under these programs. Failure to furnish any other information, such as name or claim number, would delay payment of the claim. Failure to provide medical information under FECA could be deemed an obstruction.

It is mandatory that you tell us if you know that another party is responsible for paying for your treatment. Section 1128B of the Social Security Act and 31 USC 3801-3812 provide penalties for withholding this information.

You should be aware that P.L. 100-503, the "Computer Matching and Privacy Protection Act of 1988", permits the government to verify information by way of computer matches.
