
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. Please read the FEHB Plan brochure RI 71-016 that contains the complete terms of this plan. All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. You can get the FEHB Plan brochure at www.MHBP.com, and view the Glossary at www.MHBP.com. You can call 1-800-694-9901 to request a copy of either document.

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| <p>What is the overall deductible?</p> | <p>Network providers: \$2,000/Self Only \$4,000/Self Plus One \$4,000 Self and Family</p> <p>Non-Network providers: \$2,000/Self Only \$4,000/Self Plus One \$4,000/Self and Family</p> | <p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p> |
| <p>Are there services covered before you meet your deductible?</p> | <p>Yes. Preventive care.</p> | <p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. See a list of covered preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.</p> |
| <p>Are there other deductibles for specific services?</p> | <p>No.</p> | <p>You don't have to meet deductibles for specific services.</p> |
| <p>What is the out-of-pocket limit for this plan?</p> | <p>Network providers: \$6,000/Self Only; \$12,000/Self Plus One or Self and Family (\$6,000 per covered individual).</p> <p>Non-Network providers: \$7,500/Self Only; \$15,000/Self Plus One or Self and Family (\$7,500 per covered individual).</p> | <p>The out-of-pocket limit, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p> |
