

Going places? Take MHBP along.

No matter where you go, stay connected to your health and benefit information with **MHBPSM Mobile**:

- › Medical claims status with detailed summaries
- › Annual deductible balance
- › HRA/FSA balances
- › ID card
- › Current medications
- › Allergy and immunization details
- › Family history
- › Surgery and procedure history
- › Authorized dependents' accounts
- › Emergency contact information

The app also features these valuable tools:

- › **Find a Doctor/Facility** to obtain a list of participating network doctors, hospitals and urgent care centers
- › **Health & Wellness** to search for common health symptoms and conditions, and view treatment options

To access your personal health information on MHBP mobile, you will need to have an active My Online ServicesSM account. You can register for an account on the mobile app or at www.mhbp.com. Registration is not required to find providers.

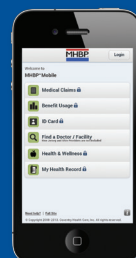

Use MHBPSM Mobile to make the most of your benefits anytime, anywhere.

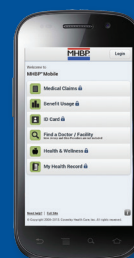

Get started today!
There are 3 ways to access the app:

1. Scan the code using your mobile device.
