

Looking for a Provider?

Use MHBPSM Mobile.

Whether you're looking to verify your doctor is in-network or you need to locate a hospital or urgent care center near you, consider MHBP Mobile. With the app, you can:

- Enter your location by using your smartphone's GPS or ZIP code
- Search by name, condition, specialty or procedure type
- Sort preferences based on name or distance
- View address info and a map with optional driving directions
- Dial a participating provider direct

These features are available without needing to register for or log in to My Online ServicesSM. You can also use MHBP Mobile to check status of your medical claims and view detailed summaries; monitor benefit usage details; and view, email or fax your ID card and other important information when you have a My Online Services account. Account registration is available for first-time users by selecting the "Login" button and it's easy to get started.

Use MHBPSM Mobile to make the most of your benefits anytime, anywhere.
