

8 Reasons You Should Use MHBPSM Mobile

Consider the advantages of using the MHBP Mobile app to manage your health and benefits on your smartphone anytime, anywhere.

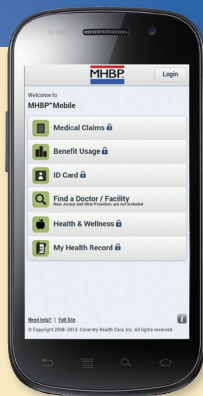

- 1. It's free.** Download the app at no cost.
- 2. Member ID card access.** View, email or fax your member ID card to your health care provider. Also access your authorized dependents' ID card and plan information.
- 3. Real-time medical claims status.** Check to see if a claim was processed and view a detailed claims summary.
- 4. Check balances.** Track the remaining amount of your annual deductible, current out-of-pocket maximum, and the amount available in your HRA or FSA (if applicable).
- 5. Record your health care activity.** Safely keep your health history, including allergy and immunization details, current medications, family history and more. Share the information with your provider anytime.
- 6. Provider search.** Find a network doctor, hospital or urgent care center. Use your device's GPS or your ZIP code to begin your search. Direct dial right from the app to schedule an appointment.
- 7. Wellness matters.** Search for common health symptoms and conditions. View information that helps you seek treatment that may work for you.
- 8. It's easy.** You can download the app in a matter of minutes and you're on your way to better health.

MHBP Mobile gives you quick and convenient access to your *personal* information—in the palm of your hand. Log in or register today!

Android™

3 Ways to Access the App

1. Scan the code using your mobile device.
2. Search for "MHBP" in the App StoreSM or Google PlayTM.
3. Enter **m.mhbp.com** in your mobile Web browser.

Your personal information is secure. No one can access your health plan information without a valid login, so you're safe if your device is lost or stolen. Your username and password are the same on the app and on your secure member website, My Online ServicesSM, at **www.membermos.com**.

MHBP Mobile is compatible with AndroidTM smartphones with OS version 2.2 or later, and iPhone[®] and iPod touch[®] with iOS version 3.0 or later. Android and Google Play are trademarks of Google Inc. iPhone and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc.
