

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** Please read the FEHB Plan brochure ([insert brochure number]) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at [www.MHBP.com](http://www.MHBP.com) and view the Glossary at [www.MHBP.com](http://www.MHBP.com). You can call 1-800-694-9901 to request a copy of either document.

Important Questions	Answers	Why This Matters:
<p><b>What is the overall deductible?</b></p>	<p><u>Network providers</u>:                      \$2,000/Self Only                      \$4,000/Self Plus One                      \$4,000 Self and Family</p> <p><u>Non-network providers</u>:                      \$2,000/Self Only                      \$4,000/Self Plus One                      \$4,000/Self and Family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. <u>Copayments</u> and <u>coinsurance</u> amounts do not count toward your <u>deductible</u>, which generally starts over January 1. When a covered service/supply is subject to a <u>deductible</u>, only the <u>Plan</u> allowance for the service/supply counts toward the <u>deductible</u>. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p><b>Are there services covered before you meet your deductible?</b></p>	<p>Yes. Preventive care</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of covered preventive services at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other deductibles for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet other <u>deductibles</u> for specific services.</p>
<p><b>What is the out-of-pocket limit for this plan?</b></p>	<p><u>Network providers</u>:                      \$6,000/Self Only; \$12,000/Self Plus One or Self and Family (\$6,000 per covered individual).</p> <p><u>Non-network providers</u>:                      \$7,500/Self Only; \$15,000/Self Plus One or Self and Family (\$7,500 per covered individual).</p>	<p>The <u>out-of-pocket limit</u>, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they must meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>

<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , balance-billed charges, penalties, expenses covered by <u>specialty drug copayment</u> assistance cards, and non-covered services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.MHBP.com">www.MHBP.com</a> or call 1-800-694-9901 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use a <u>non-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use a <u>non-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	This <u>plan</u> does not require a <u>referral</u> to see a <u>specialist</u> for covered services.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
