The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the FEHB Plan brochure ([insert brochure number]) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure**. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.MHBP.com and view the Glossary at www.MHBP.com. You can call 1-800-410-7778 to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network providers: $600/Self Only $1,200/Self Plus One $1,200/Self and Family Non-network providers: $900/Self Only $1,800/Self Plus One $1,800/Self and Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care/wellness; office visits; specialist visits; maternity care; inpatient hospital; urgent care visits and preventive prescriptions.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan?	Network providers: $6,600/Self Only; $13,200/Self Plus One or Self and Family ($6,600 per covered individual) Non-network providers: $10,000/Self Only; $20,000/Self Plus One or Self and Family ($10,000 per covered individual)	The out-of-pocket limit, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they must meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, penalties, expenses covered by specialty drug copayment assistance cards, and non-covered services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.MHBP.com or call 1-800-410-7778 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use a non-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use a non-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	This plan does not require a referral to see a specialist for covered services.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
