Utah Network Selection

Generally, if you're retired and have Medicare Parts A and/or B as your primary coverage, it's not necessary to select a Network provider.

MHBP subscribers can select a provider network that is right for you and your family's medical needs. We offer Utah subscribers two (2) provider network options to choose from. The Utah Network choices are:

- Standard Network – Aetna Choice POS II includes, HCA/Mountainstar, University of Utah, CommonSpirit/Holy Cross (formerly Stewart Healthcare), and rural Intermountain facilities and supporting providers. **If you want to remain in this network, you do not need to fill out the form below.**

- AWH – Connected Utah Network includes Intermountain Healthcare and limited University of Utah (pediatrics, dermatology, and behavioral health) supporting providers.

If you want to select AWH – Connected Utah Network, you must submit a completed form by December 9th (for existing MHBP subscribers) or January 31st for new MHBP subscribers or your network will be defaulted to the Standard Network – Aetna Choice POS II for the benefit year.

To find out if your provider participates in our Network:

- Search our electronic directory at **https://www.aetna.com/dsepublic/#/mhbp**; or
- Call us at **1-800-410-7778** (TTY:**711**) to speak with a customer service representative.
